

United is a national lifting solutions business. We offer the largest range of new and used forklifts, scissor lifts, boom lifts and telehandlers, making us the number one company in Australia for both range and choice.

From the right equipment for the job, to flexible purchasing options, hassle-free rental plans, fleet maintenance and accredited training, United have all the support services to suit all your businesses materials handling and access requirements.

At United, we offer some of the world's most renowned and trusted brands of forklift and access equipment.

Konecranes

United is the exclusive national dealer of Konecranes lift trucks in Australia. Our Konecranes range includes 1-65 tonne forklifts, empty container handlers, top lift container handlers and reach stackers. These lift trucks are well suited for a range of heavy-duty applications.

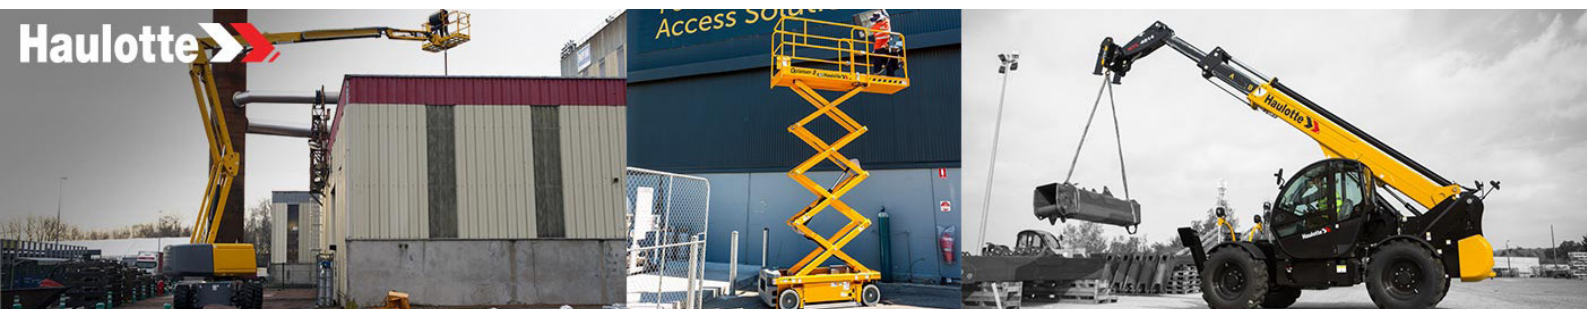

CAT Lift Trucks

Cat Lift Trucks or CAT forklifts are world renown for their reliability and heavy-duty strength. Cat forklifts are suited for a wide range of applications with lift capacities up to 16 tonnes.

Haulotte

Haulotte is Europe's largest manufacturer of access equipment and is now becoming Australia's fastest growing and popular access equipment brand. Our range of Haulotte access equipment spans eight different products with over 60 models available including scissor lifts, boom lifts, vertical masts and telehandlers.

Apart from offering quality products, we are proud to deliver an extensive range of professional services to support our customers' ongoing needs. These specialised support services, including service and repairs, spare parts, equipment finance, training, bulk LPG, fleet management and customer care, ensure we can support our customers not only today, but well into the future. At United our business is not only about selling and renting forklift and access equipment, it's about lifting our customers' businesses so they can succeed as well.
