

Jonathan Lafforgue

GM Operations & Environment, NSW Ports

Director, ICHCA Australia

Jonathan Lafforgue is responsible for overseeing WHS, logistics, security, emergency management and environment, along with operations of the Bulk Liquids and Common User Berths.

Jonathan's wealth of experience comes from his roles at DP World and P&O Ports. His understanding of rail operations and infrastructure, vehicle booking systems, labour development and operations adds considerable value to NSW Ports' activities.

Jonathan enjoys the variety of freight types and cargoes, interacting with customers and stakeholders at NSW Ports.

He holds a Bachelor of Business Management and Post Graduate qualifications in Intermodal Systems Management.

Jonathan is a windsurfing junkie, constantly checking the weather forecast and praying for wind on the weekend. He really enjoys cooking for his family and friends and he loves chocolate!
