

FORKLIFTACTION: *The genuine companion for materials handlers*

Forkliftaction.com, the biggest industry platform for materials handling worldwide, is the B2B website with a razor sharp focus on forklifts and materials handling products.

Over two decades, the website has developed into a trusted industry companion for a growing contingent of business people who use Forkliftaction daily to keep informed, troubleshoot, network, find suppliers, trade online, develop business leads and research future purchases.

2020 was an exciting year for the Forkliftaction team, with the celebration of our 20 year milestone and a publishing history of over **25,000 independent news stories** across **1,000+ weekly news editions**, and an opt-in membership that now **exceeds 73,500**.
